Mike Wiegele Helicopter Skiing offers several benefits in addition to competitive wages. We encourage our staff to become actively involved and enjoy the benefits of work at MWHS. A key part of the employment experience is the opportunity to meet people from around the world and enjoy the incredible employee perks that MWHS has to offer. We award our employees with a wide range of employment incentives.

Meal costs are:

Each meal is freshly prepared and served in our staff restaurant. During the summer season staff receive a 25% discount at our summer restaurant.

### Housing Information

MWHS offers subsidized staff accommodation to employees who do not wish to find accommodation privately. A range of accommodation is available including dorm style, shared houses, bachelor apartments, and motel units. Costs vary from \$90 to \$225 biweekly depending on the accommodation. Rent is deducted from each pay-cheque on a biweekly basis. A security deposit is deducted from the first pay-cheque. The security deposit is returned, if the accommodation is left clean and without any damages, after the resident vacates or on the final pay. While there is some variation amongst units most accommodation includes utilities, phones, tv, laundry facilities, and wireless internet. Most of our accommodation units have kitchenettes. All furniture, towels, bedding, and kitchen items are supplied. Residents may exchange their linen once per week at our laundry facilities.
